***Notes:**

The high-tech employment data shown in this chart are based on the REVISED definitions of Metropolitan Divisions and Metropolitan Statistical Areas as defined by the Office of Management and Budget in 2003. For a list of the component counties in metropolitan areas, go to "Component Counties of Texas Metropolitan Areas..." in the Texas Cybercities section of the Austin Index (<http://www.ic2.utexas.edu/bbr/texas-cybercities/texas-cybercities.html>)

High-tech employment has been defined by the Bureau of Business Research, using employment data for companies with a high percentage of research and development employees. Employment consists of full- and part-time employees who are on the payroll in the pay period including March 12.
